Imagine if you Will . . .

You and 200 fully-grown adults, file into a room wearing multi-colored t-shirts and gigantic nametags. Blinking lights and pulsing music underscore the anticipation that everyone is surely feeling. Then: a silver-haired man emerges; his skin the color of a baked potato, his teeth as white as a thousand sun beams. Your attention is fixed on this magical man, yet before he can utter a single word into his strangely long, skinny microphone you hear the voice of another, calling in the distance: "You There! Come on Down... You're the next contestant on The COST IS RIGHT!!!"

Perfect for dinner parties, corporate meetings, or even a special afternoon at the office.

The Cost is Right includes ALL your favorite memories from the classic game show including:

- Professional Character MC (Bob Barker)
- Contestants Row: Where contestants bid to play on the stage.
- Plinko: Life-Sized!
- Hi-Lo: Get the audience shouting "Higher!" "Lower!"
- Flip Flop: Flip numbers to determine the actual retail price!
- Even win a new car! ...okay...no new car.

Also includes Professional Audio, Tech, and Lighting.

Don't forget to have your pet spayed or neutered, and be sure to feature The Cost is Right in your next event!

70's room treatments, Live DVD recording, and client-specific signage available upon request for full television studio experience.
